

NOW OFFERING FLEXFUND

Push Payment for Inspections to Closing

FlexFund allows home buyers to pay for their home inspection at the time of closing instead of at time of service. Home buyers who are either reserving on-hand cash, or hesitant to put large purchases on a credit card while the close is pending, now have a pay-later option to ensure a more comfortable home buying experience.

Excellent option for home buyers limited on funds at time of inspection.

Provides the ability to include all inspection services that are important for the home purchase and not pay up front.

Easier financial planning by having all home buying-related fees scheduled for payment on set date.
